Describe the scene visible on your float:

If it's

- ~ a book or film name the author or screen writer & the year it was released.
- ~ a song, name who wrote, sang or made it popular.
- ~ a nursery rhyme, give us the lines that you are depicting.
- ~ an era or time capsule, tell us the key elements of that period, what made it good or pathetic, funny or memorable.

Name key and minor characters, both on and following your float. Bring attention to funny, brightly coloured or specific points of interest that we may spot on your float.

Example:

Our float theme is two peas in a pod. We got the idea when we were harvesting snow peas last summer which had been left on the vine too long. Sure enough there were peas inside the pod. The pod was perfectly green with a little bit of a white flower still left at the top end. Snow peas are really cute, green and oh so sweet.

How could we not do two peas in a pod when it's easy being green and we are sweet and adorable?

Check out the vegetable patch and look for the two peas and their pod, on our float. The other spring vegetables are dancing along behind.

Look for lettuce and tomato; opposite colours attract you know, together with cucumber and sweet capsicum they make a perfect salad.
